OTHER ARTICLES NOTED

A list of the journals that are reviewed and the criteria for selecting articles from these journals for inclusion in Evidence-Based Nursing are included in each issue. The following articles passed all criteria but were not abstracted because, in the judgment of the editors, their findings were less widely applicable to nursing practice. We will publish this list on an annual basis in the last issue of each year.

Treatment

Impact of zinc supplementation on morbidity from diarrhea and respiratory infections among rural Guatemalan children. Ruel MT, Rivera JA, Santizo MC, et al. Pedia-
